DECISION MAKING PROCESS AND MAIN PRINCIPLES OF REMUNERATION OF THE PRESIDENT AND CEO AND OTHER GROUP MANAGEMENT TEAM MEMBERS

The Board of Directors decides on the remuneration, benefits and other terms of employment of the President and Chief Executive Officer ("CEO"). Remuneration and benefits for the other Group Management Team members are based on CEO's proposal and subject to Board approval.

The remuneration of the President and CEO and the other members of the Group Management Team consist of a fixed monthly base salary, customary

fringe benefits and annual bonuses and long-term incentives.

Annual bonuses are based on Group Bonus Guidelines and performance criteria decided by the Board. As to long-term incentives, Group Management Team members are participating in long-term incentive programs, which are decided upon by the Board.

There are no options outstanding or available from any of Ramirent's earlier option programs. There is no general supplementary pension plan for Group Management Team members.

ANNUAL BONUSES

The Board sets annually the terms and the targets and the maximum amounts for annual bonuses. The amount of eventual bonuses is based on financial performance criteria, such as Economic Profit (EBIT) of the Group and the respective segment or country. The achievement of the targets of the CEO and Group Management Team members is evaluated by the Working Committee and the payment of the eventually achieved bonuses is confirmed by the Board.

In 2014, the maximum annual bonus for the CEO could be up to 60% of his annual base salary. For the other members of the Group Management Team the maximum annual bonus could be up to 40-55% of their annual base salary.

SHARE BASED INCENTIVE PROGRAMS

The aim of the programs is to combine the objectives of the shareholders and the management in order to increase the value of the Company as well as to commit the key executives to the Company, and to offer them competitive rewards based on the financial performance of the Company and the Company shares.

The key executives must hold shares received on the basis of the incentive programs during their employment or service with the Group, as long as the value of the shares held by the participant in total is below the person's six months gross salary.

Shares owned by the CEO and the other Group Management Team members can be seen in the insider register.
